1999 Shanghai. Two opposing groups: The Koolongs vs. The Toulus —
 unawares of the other's background. One of the Koolongs and Aoioue
 of the Toulus fall in love. Now they meet in secret, but with deep passion.
 And as if Fate exposed at the couple, the rivalry between the Koolongs
 and the Toulus escalates violently. The tale of their battle,
 floating love will reverberate powerfully in your heart!!

I'm sometimes asked if Aoioue
 was modeled after Nagayo Ken
 of TOKYO. That was never
 my intention. However, the
 characters of Cat(Mao) and
 Green(Lu) were based off of
 the Kinkyu Kado. No one has
 ever pointed that out though.

Shanghai, July 1999 vol ③ END.

Good afternoon. I'm Jotaro Mikoshiba. I hope I usually
write the afternoon as a message, but, please forgive me for
writing in afternoon this time (It mostly slipped my mind
and I ran out of time.) I apologize to anyone who just
looking forward to reading it. Well then, it finally feels like
the story titled "Daughter" is beginning to unfold. Thank
you for staying with me so long. The letters that I've
received have all asked asking about Kizuna and Zappa
but lately, the story has been about Kizuna & Kizuna, or
Kizuna(?) (Character that you either love or hate. With
people like that around, the story really seems to a minor
Daughter.) I'm you hate Hoshikida(?)Kizuna?) remembering?
Please don't! It's just of a rare friend - a very frank
person. - Daughter.) On other people, around...? Knowing
that people can love and hate my characters inspires me to
write even more effectively. I'm thrilled to receive so many
letters full of anticipation. I'll continue to do my

best. so please keep reading

That's all then
